## Operating Performance Meets Expectations, Rewarding shareholders

10 HK cents/Share Interim Dividend

9%

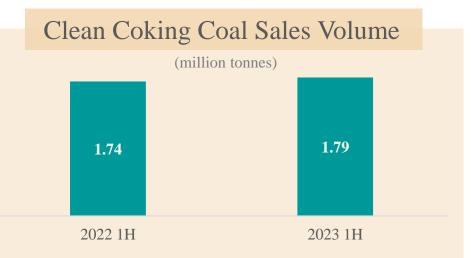

Annualized Dividend Yield

(closing price of 30 August 2023)

## **Reach Production and Result Targets**

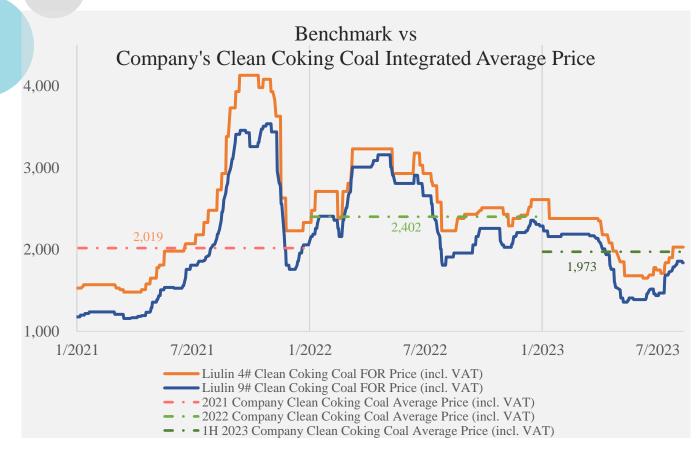

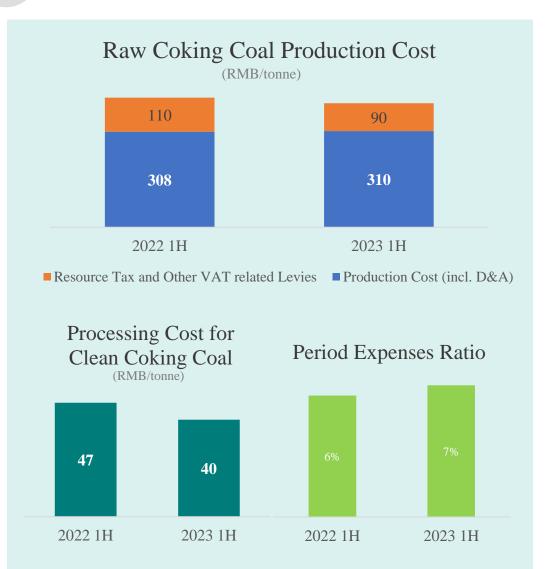

# **Overall Market Prices Dropped**

- In 1H 2023, the market price has dropped from the high level, decreased about 30%, and gradually stabilized since July.
- The Company's integrated average selling price (including VAT) of clean coking coal in 1H 2023 was RMB 1,973/tonne, a decrease of 22%.

# Multiple Measures to Reduce Costs and Increase Efficiency

- Shougang Resources has improved quality and efficiency through various efforts, and strictly controlled costs
- After deducting uncontrollable resource tax and other levies due to the price fluctuate, the unit raw coking coal production cost in 1H 2023 is similar to the same period last year, mainly due to:
  - Increase in clean coking coal yield
  - Reduction of material and electricity costs

## Share Buyback Protect Shareholders' Interests

Share Buyback

Shougang Resources announced on July 11 2023 that it will buybacks up to 125 million shares of the company at a premium of 17.65% at HK\$2.4 per share ("**Offer**"), representing approximately 2.47% of the total issued shares. If the Offer is accepted in full, it will result in the Company paying HK\$300 million in the aggregate to shareholders who are eligible to participate in the repurchase in cash which will be funded by internal resources of the Group. Shares will be canceled after buy-backs.

# Purpose

Milestone

- Protect the interests of shareholders and increase earnings per share
- Demonstrate the confidence of the board of directors and management to the company

## **Continuous Process in Intelligent Construction**

Combined with the government's intelligentization requirements, and the company's own implementation plan. The Company has formulated detailed implementation progress, introduced "110" working methods, intelligent integrated mining equipment, etc., with the help of the "Internet +" model, striving to create a "green, efficient and safe" intelligent working platform.

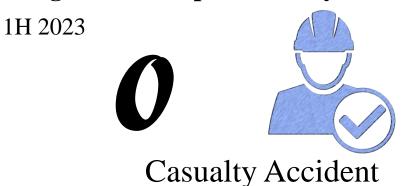

Comply with Production Safety Management Comprehensively

## **Promote Staff Innovation**

#### Setup total 8 innovation studio

Among them, Xue Jianwen Innovation Studio has invented more than 30 innovations, including 22 outstanding achievements, and won 13 outstanding achievement awards and patent certificates in the past four years
